

The Romanian Aid Foundation
and
Asociația Neemia
Joy in a Box, 2015

Each Christmas, the Romanian Aid Foundation and its local partner Asociația Neemia distributes Christmas gift boxes in north-eastern Romania. These boxes have been prepared by individuals, schools, churches, clubs and other groups in Britain, and have been sent to Dorohoi in time for distribution to needy people. The actual number of boxes was down on previous years but during December we were able to give out approximately 2,500 boxes to children in local kindergartens and to the needy families that have been registered with Asociația Neemia during the year. More photos are on online - perhaps you can spot your box there! Many thanks to all those who helped to bring joy at Christmas
