Give joy in a box at Christmas

Preparation Instructions

- *Take a medium size shoebox and cover it with decorative paper. Please cover the lid separately so that the box can be opened without damage.
- *Collect some gifts suitable for one of the following groups:
male / female ages: 0-2 / 3-4 / 5-7 / 8-11 / 12-14 / 15-18 / adult.
- *Pack the items with a bit of padding inside the box, ensuring that any soap and cosmetics are in separate plastic bags in case of spillage
- *Mark the label to show the chosen gender and age group, and add a £1 coin as a contribution to the cost of fuel.
- *You may include a Christmas card, a photo or letter - our team can translate your greetings.
- *Please do not seal your box – use rubber bands or a ribbon without bows – because all boxes need to be inspected prior to distribution.
- *Take your box to your local co-ordinator who will arrange for it to start on its journey to Romania.

Joy at Christmas - what will you give then?

Please attach a copy of the contents list to the OUTSIDE of the lid of your box, giving a summary of the contents and an indication of the intended gender and age group.

Please add a £1 coin to help with the cost of transporting your box to Romania.
