Prayer Notes

May 2015

Work has started on site building of the home for the ex-orphanage boys - it is good to have turned the first turf but this will be a stressful few months for the AN team as we try to balance the normal daily routine with the additional demands.

We have now received the majority of the stocks of goods that built up in RoAF's warehouses during the winter months. Loads from west Wales, Sussex and south Wales - including items from elsewhere in the UK - have helped to replenish the warehouse in Dorohoi and are currently being distributed to needy people here. We especially appreciate the generous quantity of sports clothing which has enabled us to provide many local school and club teams with good-quality kit.

Give thanks ...

1. For three very good loads in the past four weeks.
2. For good weather, which allowed work to progress on the boys' home site without the ground being either too hard to work or becoming a quagmire.

Please pray ...

1. For wisdom in distributing the goods received and the resolution of completing demands for resources.
2. That God will overrule in the choice of which children should be invited to attend the summer camp in the mountains.

Prayer Notes

May 2015

RoAF is essentially a faith-based organisation that relies on prayer. The Horley team holds a monthly prayer meeting with an open invitation to all who are interested in our work. The venue can vary so please contact one of the RoAF team for details. However, you don't need to be in Horley - just remember to pause and pray wherever you are and whenever the thought comes to mind..

Below and overleaf we offer some prayer pointers, but please feel free to add your own items as they come to mind. Prayer is our connection with God's ultimate power source and, without prayer support, this work would achieve nothing.

It is with sadness that we heard of the death of Richard Inman - the husband of one of our RoAF trustees. Despite his illness, Richard had a positive attitude and was encouraging to be with. Please pray for Jane and her family at this time.

Many long-term supporters will remember Robert Kidd, the son of another of our trustees and an enthusiastic helper at the warehouse. Robert is very ill at present and this is causing his family some concern, and again we ask for your prayers.

Give thanks ...

1. For the impressive turn-out of volunteers to help load the lorry from Billingshurst - and pray that many will want to repeat the experience next time.
2. For another well-packed load from the Swansea team with very little space left for fresh air - a good team effort.
3. For the active involvement of so many people in making this work possible - sorting, packing, loading, funding and, of course, praying are all necessary.

Please pray ...

1. That the beneficiaries in Romania may understand and appreciate the effort that goes into preparing these loads, and the spiritual motivation behind it.
2. For the programme for dispatching loads during the summer - in summer the needy do not go away, their priorities just change a little.
3. For adequate funding, as and when needed, to allow for a timely completion of the new boys' home.
